Nancy Carlson
District Director

Premier Technology, Inc

Provider of manufacturing, fabrication and construction products and services for a wide range of clients and industries including: DOE/DOD, nuclear, isolation barriers, shielding equipment, pharmaceutical, cheese & dairy, food & beverage, and mineral & chemical. Premier's Corporate Headquarters, located in Pocatello, Idaho, include a 50,000 square foot manufacturing facility and business offices with field support offices in Caldwell and Twin Falls, Idaho. Directions: From I15 exit onto I86 West. From I86 exit U.S. HWY 91 North. Continue North to Siphon Rd., Turn right to Premier. For additional information about Premier Technologies, Inc. visit their website <http://www.premiertechology.cc/premier/About.cfm>

Note, attendees are not allowed to bring cameras or cell phones with them on the tour and will be required to sign a nondisclosure agreement prior to touring Premier's facility.

RSVP to Nancy Carlson 208 526 6320 or nancy.carlson@inl.gov by 4PM Thursday March 2, 2006.

EITC and Norco Industrial welcome high school weld programs, weld construction contractors, AWS members, and INL/CWI employees to the Welding Trade Show at the Eastern Idaho Technical College, February 28 and March 1, 2006 8:30AM thru 4:00PM. This will be HANDS ON, bring your Helmets and Gloves and try the latest Miller, Hypertherm, Hobart, Eutectic and others have to offer. Directions: Take Hit Rd or 17th St. to the intersection of 17th & Hitt. EITC is in the NW corner. The show is in the Technology Building rooms 207 and 207C.

SECTION NEWS

District scholarships provide scholarship funds for students pursuing certificate, associate, and bachelors degrees in welding. The submittal deadline for district scholarships is March 15, 2006. You can obtain information about district scholarships at http://www.aws.org/w/s/foundation/district_scholarships.html or by contacting - Charles Tolle at charles.tolle@inl.gov or 208-526-1895.

Our March section meeting will feature a tour of Whiteman Industries in Boise, Idaho March 31, 2006 so look for the March flyer.

Get an AWS email address as part of your membership benefits. Sign up at <https://www.aws.org/w/s/login.html> Your email address will never have to change as long as you are a member. Email will be NAMEOFYOURCHOICE@member.aws.org and be forwarded to your work or home email. No matter how often you move your AWS email can follow you. As you can see by the contact info on the left two officers have started a trend. Get your first choice before it's gone.

Check out <http://www.aws.org/sections/id-mt/> for links to meeting and scholarship information.
