Diversified Metal Products, Inc. Tour
Followed by Pizza and Technical Presentation

TOUR
Time: 4-5 PM
Place: Diversified Metal Products, Inc.
3710 N. Yellowstone Hwy.
Idaho Falls, ID 83403

About Diversified: Diversified Metal Products (DMP) provides engineering, design, fabrication, quality assurance, installation, and control system integration services for a wide range of industries. For example, DMP provides the nuclear industry with turnkey gloveboxes, containment vessels, and fuel and waste handling equipment; the food industry with processing equipment for specialty snacks, vegetable dehydration, and conveying systems; and industrial customers with piping, customized tanks, HVAC systems, and ASME code vessels. On their 5-acre campus with 3 fabrication shops, DMP employs GMAW, GTAW, and SAW processes.

Contact number (in case you need directions to Diversified): 208-529-9655

DINNER and PRESENTATION
Time: 5:30-7 PM
Place: Godfather’s Pizza
1680 1st Street
Idaho Falls, ID 83401

Cost: Section 185 will cover the cost of pizza, but each attendee is responsible for purchasing their beverages.

About Technical Presentation: Paul Tremblay, our section chairman, will present information from the 2008 FABTECH-AWS Show and explain national, district, and section welding scholarship opportunities.

Plan on attending both the tour and dinner/presentation: If your schedule allows you to attend only one of these events, be sure to specifically state if you are attending both or which event you will attend when you RSVP. We need to provide both Diversified and Godfather’s with a tentative head count.

RSVP: By 5 PM on January 15, 2009 so we have a head count for the tour and dinner/presentation. RSVP to Nancy Carlson at 208-523-9128 or nancymcarlson@msn.com.

WELDING SCHOLARSHIPS: Be sure to check out all the 2009-2010 welding scholarships available while you are on the section’s webpage.
