Join us with your spouse or guest as we honor our past chairs, celebrate the season, and tour one of Milwaukee's finest and well-known establishments.

Sprecher Brewing Co. was founded in 1985 by Randal Sprecher, formerly a brewing supervisor at Pabst Brewing Company. Sprecher revived both the distinctive quality of regional beer and of old world brewing methods.

"Milwaukee was once called the Beer Capital of the World, thanks to its prowess in cranking out Pabst, Schlitz, and other monosyllabic canned beers that are now ironic hipster fashion accessories. Sprecher guards a more authentic strain of the city's brewing tradition with its perfectly crafted German-style beers. (*Men's Journal Magazine*)

Sprecher is proud to be part of the great brewing tradition of Milwaukee. Please join us at the Sprecher Brewing Company for a great tour, a chance to try some of their great beers and specialty sodas, and a fabulous dinner catered by Irene's Catering.

Registration is required by December 5, 2008
