

McCormick Place, Chicago

The FABTECH International & AWS Welding Show is the largest event in North America dedicated to showcasing a full spectrum of metal forming, fabricating, tube and pipe, and welding equipment and technology. In 2009, the event returns to Chicago! Thousands of buyers and sellers from around the world will gather at McCormick Place to exchange products and services, form new business relationships, problem-solve, and share best practices. Be a part of this exciting manufacturing tradition --- make plans now to exhibit or attend the 2009 FABTECH International & AWS Welding Show including Metalform.
