Chairman's Message

In our midst we are very fortunate to have a vast array of talented people; people who are renowned in the welding field throughout the USA and other parts of the world. Let each of us use this 2011/2012 season to create a better Section so that all can benefit.

Talk up the Section to non-members and point out the advantages we offer with meeting attendance. If you haven't been to a meeting lately, start coming out. If you are a committee chairman, recruit some assistants to take over your job in the future. If you are not currently involved with a committee, join one. If you have an idea for a program or activity, come share it.

We all must spark interest and motivate members and non-members alike to become more involved in Section activities.

“Knowing is not enough; we must apply.
Willing is not enough; we must do”

Johann Wolfgang von Goethe

Herb Browne, AWS NJ Section Chairman

6:00 p.m. Networking
6:30 p.m. Dinner
7:30 p.m. Presentation

DINNER COST: (dinner optional)

Members & Guests: \$25.00
Students: \$15.00

A timely review of safety information you should know about

Speaker: August “Gus” Manz, AWS Fellow,
A.F. Manz Associates

“Gus” Manz is known for his contributions to welding and cutting. An Electrical Engineer, he has over 30 welding patents. He is the inventor of the “HOT WIRE” welding processes <Hot Wire Gas Tungsten Arc Welding (GTAW), Hot Wire Plasma Arc Welding (PAW), etc.>, “One Knob” Gas Metal Arc Welding (GMAW) that has evolved into “Synergic Welding” and the GMAW power supply with slope, voltage and inductance control. In 1993 he was inducted into the New Jersey Inventors Hall of Fame. He established A.F. Manz Associates in 1986, Consultants in Welding Technology and Safety.

A member of many American Welding Society (AWS) committees, he is a past N.J. Section Chairman, past District Two Director, past Director-at-large, a Life Member and a Fellow of the AWS. He is the chairman of the American National Standard committee “ANSI Z49.1 Safety in Welding, Cutting, and Allied Processes” and a past chairman of the National Fire Protection Association committee “NFPA 51B Standard for Fire Protection during Welding, Cutting and other Hot Work”.

Participate!

Get the most from your Membership

AWS membership provides numerous opportunities for you gain valuable knowledge about new materials, processes, equipment and techniques; network with other welding professionals; and meet welding industry experts at the meetings.

It also provides an excellent, ready-made arena in which to hone your leadership and managerial skills by heading a committee, leading a project, or serving as an officer. This valuable experience can enhance your personal growth and help you to advance in your career.

Take full advantage of all that your membership offers. You are encouraged to attend meetings, take part in activities, share your ideas, join a committee, and become part of the AWS NJ Section community.

As with most worthwhile things in life, the more you put into it, the more you'll get out of it.

Welcome Members

The AWS NJ Section welcomes the following new members:

M.D. Bellware, *SRS, Inc.*
Stanley P. Borowiec, *BOC Gases*
Craig R. Caflin, *Welder Training & Testing Inst.*
Douglas W. Chappell, *JC MacElroy Co., Inc.*

**Manufacturers Night
April 17, 2012**

Plan now to participate in the AWS NJ Section Manufacturers Night scheduled for the April 17th meeting. This popular event provides a local display of the latest in machinery, equipment, technology, materials, products and services for the welding and related industries.

It is a great opportunity for all area providers—small and large companies alike—to showcase their capabilities. Let's make this one better than ever!

Table top display areas are available on a first-come, first-served basis. There is no charge for participation. Company representatives pay only the standard dinner fee for the meeting. Door prizes and promotional giveaways are welcome.

If your company would like to participate, please email Al Fleury: alnpat1@gmail.com

Upcoming Events

AWS NJ Section Meetings are held at: Pantagis Renaissance/Snuffy's Clambar, 250 Park Ave., Scotch Plains, NJ unless otherwise posted. Come as you are. Guests welcome. Dinner is optional. Arrive by 7:30pm for program portion only.
