 TIME: 6:30 -7:30 p.m. Tour  
 7:45p.m. Dinner @ Applebees  
 PLACE: Applebees 3000 Dial Drive CB, IA  
 Phone : 712-366-1250  
 COST: Open Menu

## A Note from your Chairman:

About 25 people attended our joint meeting with the Southeast Nebraska Section to hear AWS President Damian Kotecki deliver a very interesting and informative presentation on welding stainless steel. At the conclusion of meeting President Kotecki joined me in a short awards ceremony recognizing several members for their contributions to our Section and to the AWS. District Director Charles Burg who is nearing the end of his term was recognized for his service as District Director; Wayne Grable, Manager of the Omaha Store, accepted a plaque expressing our appreciation to him and to Linweld for support of our Career Fair; Robert Owen, President/CEO of Owen Industries was presented a Lifetime award for 35 years of membership in AWS, Bruce Gregory, Technical Sales Representative for Lincoln Electric was presented a Silver Award for 25 years of membership in AWS and Karl Fogleman, Department Manager for PSI also received a Silver Award for 25 years of membership in AWS. Congratulations and Thank You to all for your support and contributions to AWS.

Regards,  
Monty Rodgers

# First Annual AWS Career Fair!

## District 16, Section 81

Theme for the Career Fair "Connecting The Material Joining Industry. The section sponsored their 1<sup>st</sup> Career Fair for the February meeting. It took lots of hours of pre planning, getting flyers made, advertising, door prizes and food.

The event drew a variety of people in all age groups interested in learning more about the many different opportunities in the welding field.

It was held at Linweld's store in Omaha NE. There were hands on demonstrations with welding and torch cutting. Several of the table sponsors said they had a good response and interest from many of the attendees.

Some of the Career Fair Presenters were: Metropolitan Community College, Professional Services Inc. (PSI), Linweld, Miller Electric, Paxton Vierling Steel, Drake Williams Steel, Katelman Foundry, Omaha Public Power District, AUR Staff, Inter Systems, Ironworkers Local #21 & Davis Erection Co. It was a good mix of educators, fabricators, erectors, inspectors, and sales.

For a cold Midwest Saturday the event was very successful. The officers are planning on making next years career fair bigger and better.

If anyone is interested in having a table next year, contact one of the officers.
