This is a great opportunity for welding students to realize an opportunity in the welding
industry. I encourage all of our instructors to bring their students to this meeting.

Spouses or significant other are always welcome to attend our meetings or tours.

The golf outing in September was very successful, we had 10 teams compete. The Lincoln Electric
Team of Greg McQuaid, Brent Craddock, Jack Green and Randy Adams won with a score of 61.

I want to thank everyone that participated and/or helped sponsor this event.
