The picnic was a success, thanks to Chairman Bill Rhodes and Awards Chairman: Ed Wyatt, for some reason you could not attend the picnic, you can view all the pictures on our website. Thirty one attend the picnic this year.

I would like to pass on some information about one of our members Sandi Johnston a welding instructor at a local High School Technical Center in Roanoke, Virginia. Sandi and her husband established Sandi's Metal Arts in 1999, which sales handcrafted metal art and crafts. You have to view their site to really appreciate the Johnston's talent; I think you will be impressed. Who knows maybe you will find that special gift for the love one, or something handmade just for yourself.
