

Date: **Tuesday October 22, 2024**

Acadian Section - American Welding Society

Speaker: **Jake Saunders - Chart Energy and Chemicals**

Topic: Welding is a specialty process and requires a quality system to ensure consistent and acceptable welds.

Please join me where I cover the key components to a Quality driven welding program. These include but are not limited to: Technical review, Welding Staff, Equipment, Welding Activities, Storage of Consumables, Storage of Parent materials, Inspection and Testing, and Continuous Improvements.

Place: **Chart E&C**

3415 Earl B. Wilson Rd.

New Iberia, LA 70560

Time:	6:00 PM	Social
	6:30 PM	Section Meeting
	6:45 PM	Dinner
	7:00 PM	Presentation

Cost: [Compliments of Chart E&C.](#)

We will be awarding door prizes for students who attend.

Feel free to share this invitation with any student who may be interested.

RSVP: G.flores@prec-engr.com

(337) 364-0080 Giselle Flores

Please RSVP so that adequate food and seating can be provided.

2.0 PDH Credits will be issued for attendance of this meeting.

This is a free meeting and is open to anyone with an interest in the welding industry.

Please try to come out and show your support for our section.
