

SKILLSUSA ALASKA

# Annual Leadership Conference and Skills Competition

March 26-28, 2025

## SkillsUSA Alaska

SkillsUSA is a national partnership of students, instructors and industry working to build a skilled workforce.

The Alaska chapter is presenting our annual student conference in Anchorage this year. At this event, students will work against the clock, encompassing the SkillsUSA Framework as they demonstrate their knowledge and skills in a variety of competitions.

Contests are run with the help of our state's industry experts to test competencies against their standards for entry-level workers. State first-place winners will receive scholarships, tools or other industry prizes and advance to compete in the national SkillsUSA Championship.

You can engage in our upcoming State Leadership & Skills Conference in a variety of ways:

- Session Speaker
- General Financial Sponsorship
- Prize/Scholarship Sponsorship
- Promotional Product Donation
- Contest Judge/Proctor

This is a pipeline to the upcoming student talent in Alaska. To participate please visit our website and reach out to [Keith Hodson](#), State Director.
