Tonight's Joint meeting has two guest speakers: Dave Waitkus from Accu Weld Technologies, Inc. and Xuriah Harbaugh from Doncasters Structural Castings. They are both inspectors, specialists and educators in their field and will discuss their years of working in the Radiography Industry, sharing their experiences and how the industry has evolved over the years.

Dave Waitkus is an AWS Certified Welding Inspector & Certified Radiographic Interpreter, employed with Accu Weld Technologies Inc. as a third-party film reviewer for Rhode Island Energy.

Mr. Dave Waitkus' presentation will be on the Alaska oil & gas industry with a concentration on the Trans Alaska pipeline and North Slope operations. This talk will focus on Mr. Waitkus' 12+ years' experience with the inspection methods used and the welding of the pipeline, it's maintenance and ongoing new pipeline construction on the Slope.

Xuriah Harbaugh is an NDT (NAS 410) LV 3 in Radiography with experience in film, computerized Technology and with current certifications in Digital Radiography (DDA) employed at Doncasters Structural Castings, an investment casting house specializing in the manufacture of precision structural investment castings in high-grade materials for customers in the aerospace and industrial gas turbine markets.

Mr. Xuriah Harbaugh will share his 10+ years' experience in the manufacturing processes and the investment Casting industry with tonight's talk strictly related to Radiography from Film, Computed Radiography and sharing some of his new experiences with the Digital Radiography advancements.

Please join us in learning what our speakers will share and enjoy a meeting with your friends and associates.

Please register by the due date. The Pizza and Salad needs to be ordered ahead of time.
