Boyce Towell
AWS District 19 Director

Boyce's has a deep passion for the welding industry. He has been an AWS member for over 19 years. For over 11 of those years he has given back as a section leader and now as a District Director. Currently he is a SCWI, UT II, MT II, ISO 9001 Auditor, and quality consultant. For over 25 years, he has worked in a wide diversity of fields, including nuclear and fossil power, petrochemical, ship building and large scale ASME B&PV fabrication. He brings a wealth of knowledge and experience in a vast array of codes.

Boyce's goal as District Director is to recruit the next generation of members by showing them what the AWS can do for them.
