

AWS Lakeshore Section

Past Chair Recognition Night:

Thursday - June 12, 2025

Join us for our annual Past Chair night for the Lakeshore section! Bring your significant to this laid-back event as we have a little fun and recognize our Past Chairs for their contributions to the Section. As always - retired past Chairs & their spouses will be admitted at no charge.

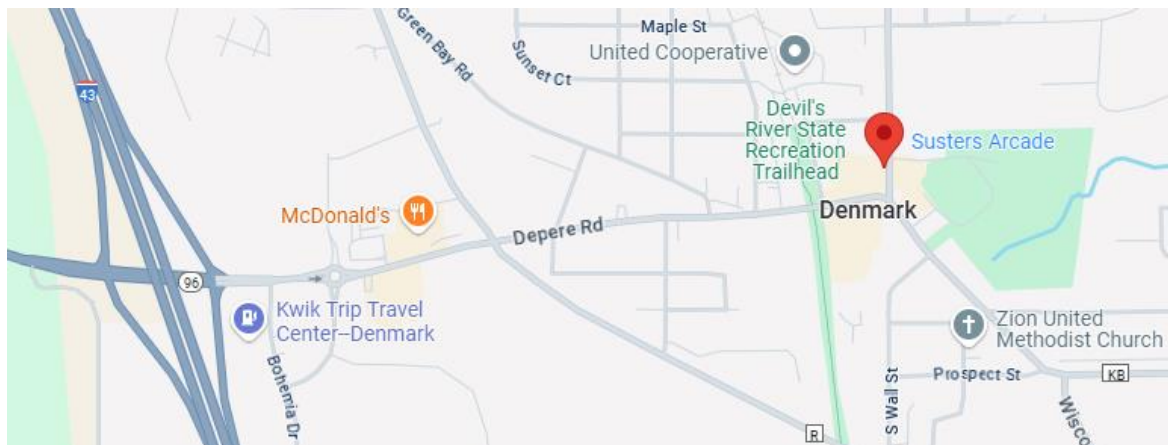

This year's event will feature a friendly game of trivia. Questions will come from Trivial Pursuit Generations cards. Do you think you know everything about your generation? Come and put your semi-useless knowledge to the test! Correct answers will earn you a prize from the grab bag!
