## STUDENT PARTICIPATION COMPETITION

Student members of the LA/IE Section of the AWS may participate in a points-based competition to win a mechanic's tool set. The student member earning the highest number of points will be awarded the set at the Section's May event. Interested students should complete each task listed below and submit this form and evidence of each activity to the section email address ([losangeles@awssections.org](mailto:losangeles@awssections.org)) no later than Sunday, May 3, 2026. In case of a tie, quality of written and welding work submitted shall be evaluated by the Section Chair to determine winner.

	Points	Date Completed
Sign up as an AWS student member	1	
Sign up for a LA/IE Section scholarship	2	
Sign up for another AWS scholarship - district, national, or welding	2
