

Madison College / AWS Madison-Beloit Section Welding Education Open House

Where: Madison College Welding and Metal Fabrication Labs
Rooms E1702, E1706, E1714, E1722, and E1729
1701 Wright St.
Madison, WI 53704

When: Monday, October 6, 2025
Time: 4:00 PM to 7:00 PM

Come and join us for a hands-on welding experience and the opportunity to network with fellow welding students and welding industry professionals.

Representatives from Lincoln Electric and Miller Electric will be on-hand offering demonstrations and the opportunity to operate the latest pieces of welding equipment. This year's Open House will feature the Miller Electric OptX Handheld Laser Welder. Lincoln Electric will be providing a VRTEX 360 welding simulator as well as demonstrations using the 300C advanced-process power source. There will be several welding contests taking place using VR and live welding equipment. As usual, we will be giving away prizes to attendees (students and instructors). Prize giveaway made possible by: *Lincoln Electric, Miller Electric, Badger Welding Supplies, MSC, and the AWS Madison College Student Chapter.*

A light meal of Subway Subs, Chips, cookies, and beverages will be provided to all College and High School instructors and students, compliments of AWS Madison College Student Chapter.

Please RSVP via email, text, or phone call (for meal planning) no later than Friday, October 3, 2025 by contacting Ben Newcomb at:

Bpnewcomb1@madisoncollege.edu or 608-279-8108

Parking is available in the student lot across the street (Wright St.) from the main building
