

# American Welding Society®

## EAST TEXAS SECTION

Would like to invite you to a Section Meeting April 5<sup>th</sup> at Sachse Rod Shop, located at 3904 Miles Rd. Sachse, TX 75048. We look forward to interacting and networking with you.

**Meeting Topic:** Come join us as we take a shop tour and hear of unique situations that developed custom parts to solve the problem. Chopped tops, Narrowed rearends, front clips to full frames. Creativity and artesian skilled craftsmanship makes dreams come true. Stories on what and how they fabricate and weld custom components for these amazing Hot Rods. Time allowing there will be a demonstration or two provided. Membership in the American Welding Society is NOT required to attend. \*\*\*Please RSVP\*\*\* [easttexas@awssections.org](mailto:easttexas@awssections.org)

**Who Should Attend:** Anyone interested in advancing the growth of skilled trades. Welding Students, Educators and Administrators, Hobbyist, and even DIYers are encouraged to attend.
