SPARK UPDATE

2024/2025 NUMBER 2

Chairman's Announcement

The Pittsburgh Section is holding the 2nd meeting for the 2024–2025 year. We will be summarizing the planning of events and financial commitments for the upcoming year. We will be hosting the Board meeting on Tuesday August 13, 2024. We are attempting to promote the Section and are happy to invite interested members. Members may attend this meeting to explore these plans and meet the members of the Board who make the opportunities of the Section successful. Attendees are encouraged to entertain the potential inclusion to the many current Standing Committee and future Executive Board opportunities available. If you wish to participate in this meeting to explore the available opportunities, or have any ideas for our chapter or suggestions for future meetings or plant tours, please feel free to attend this meeting or contact any of our Board members.
