

American Welding Society®

NEBRASKA SECTION

Spend a Day with the President

Guest Speaker: Michael Krupnicki- AWS President

November 7th, 2024 at 11:00 a.m.

Please join the Nebraska AWS section and the 2024 AWS Board President Michael Krupnicki at Central Community College Columbus Campus on November 7th at 11:00 AM. President Krupnicki's **"the benefit of Welding Schools"** presentation will discuss the importance of welding schools, and volunteering. He will share his personal stories, experiences, and research into current volunteering trends, including the Leadership Symposium and Instructors Institute.

Mike spent most of his career growing a western New York distributor of welding equipment and industrial gases and currently owns a private welding school. He is a Life Member of the AWS, and resides in Rochester, NY.

Event information: Date/Time: November 7th, 2024, at 11:00 AM with light lunch provided.
