Join us for an exciting AWS Spokane Section Meeting featuring **Joe Krels** and **Missy Everhart** from UA Local 44! This informative session will focus on **pipe welding**, union **career opportunities**, and **employment** with UA 44, which is looking to hire about **40 new welders** over the next year. UA 44 is also offering a comprehensive **16-week, in-house welding training course**, providing additional skill-building for welders at varying experience levels. Don't miss this chance to learn about opportunities with the union, gain insights into a rewarding career in pipe welding, and discover how UA 44 is paving the way for welders in the industry.
