TECHNICAL MEETING

THURSDAY NOV. 20TH @ 6:00PM

Come join us on Thursday November 20th, at 6:00pm at Lampton Welding Supply 1717 Hwy 97 North, Sapulpa OK for our Technical Meeting on Weld Cleaning, Marking, and Polishing through passivation. Rex Rynolds with Cougartron will be doing the presentation and demonstration with hands on opportunities.

Rex will share his knowledge and skills with all attendees on the proper use and importance of fighting corrosion through this process.

Safety Glasses and Closed toe shoes will be required for the demonstration portion of the meeting.

PDH hours can be earned for attending this event.
