

# American Welding Society

District 12  
Upper Peninsula Section 114

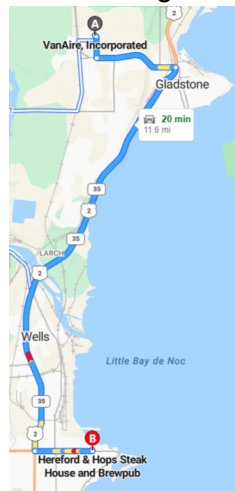

## May Meeting Notice

The Upper Peninsula Section 114 of the American Welding Society will be having a tour of VanAire in Gladstone, MI with a dinner meeting to follow at Hereford and Hops.

"For over 25 years we've been building critical infrastructure in two primary industries, Valve Automation & Wastewater Systems, and shipping them across the globe.

Our team engineers and manufactures these global solutions right here in our 45,000 square foot facility in Gladstone, MI – equipped with over 30 CNC machines—including robotic welders, laser cutting tables & vertical machining centers".

**Please join us for a tour on  
Tuesday, May 13th, 2025 at 5:00 PM (CST) : 6:00PM (EST)**

**A dinner/meeting will follow at Hereford and Hops in  
Escanaba, MI.**
